Maple Grove is welcoming AXA Advisors

MARK KING: *has worked for AXA Advisors, LLC in Williamsville, NY for over 13 years as a financial consultant. He is originally from Brooklyn, New York. Mark played Division 1 Football and Division II Baseball, graduating from LeMoyne College. Married with three children, Mark moved to Clarence NY in 1993. His son played Division I soccer at Niagara University and his daughter received a division 1 soccer scholarship from Long Island University. A big part of my mission is to provide financial education to individuals, families, companies and communities. For the last seven years Mark has presented financial education workshops to all the Buffalo Bill's rookies. Presently he provides financial education seminars to all IRS employees in the Buffalo, NY area. Mark also works with families, individuals, and small business owners to create risk management, retirement, estate and college plans.*
